License to Carry/Firearm Identification Card

Question # 4 Have you ever appeared in any court as a defendant for any criminal or criminal traffic offense? You do not have to put down non-criminal traffic offenses (Key word, appeared, not necessarily arrested)

Having been arrested and convicted of a crime does not necessarily prohibit you from getting a L T C or F I D. Not putting it down does.

Understand that "ever appeared" includes all adult and juvenile appearances. It does not matter if you were found not guilty or if the charges were dismissed or continued without a finding; you have to put it down. If you do not answer truthfully we will find out, no matter how long ago. If you have a sealed record, let us know. (you do not have to tell us what is in the sealed record) We do get notified of sealed records disqualifiers.

We will not accept "I forgot" or "They" told me it would not show up. "It never showed up before"
"That was so long ago"

Make any changes now, Remember you are signing under the penalties of perjury and you will be denied a license for that and face court prosecution for perjury.
